Course description

8th EPODES Basic is an interactive course on surgically remediable epilepsies, presurgical evaluation, scalp and intracranial EEG, neuropsychology, imaging and psychiatric issues of surgical patients before and after surgery. EPODES courses are organized in three-year cycles. This year the course will be dedicated to basic information on epilepsy surgery.

The programme consists of presentations by keynote speakers and case presentations by tutors and students.

The course is organized as part of the European Project of Development of Epilepsy Surgery Programs (EPODES) under aegis and with funding from Commissions of Epilepsy Surgery and European Affairs of ILAE.

Faculty

Çigdem Özkara (Turkey), Ivan Rektor (Czech Republic), Philippe Kahane (France), Milan Brázdil (Czech Republic), Petr Marusič (Czech Republic), Vladimír Komárek (Czech Republic), Pavel Kršek (Czech Republic), Bertil Rydenhag (Sweden), Kristina Malmgren (Sweden), Helen Cross (United Kingdom), Sallie Baxendale (United Kingdom), Michael Sperling (USA), Christoph Baumgartner (Austria), Markéta Hermanová (Czech Republic)

Registration

Registration fee:

750 € includes accommodation for 4 nights in a double room (hotel Continental), meals and course handouts

850 € includes accommodation for 4 nights in a single room (hotel Continental), meals and course handouts

Other room options are available - please ask the course secretariat.

Requirements for application

- 1) Neurologist, paediatric neurologist or neurosurgeon who has a background to establish or run an epilepsy surgery center. Also junior members of established teams are welcome.
- 2) All application forms have to be accompanied by a CV and a recommendation letter from the director of the hospital or chair of the department.
- 3) Adequate knowledge of English to follow the course and participate in the discussions is needed.

The course starts on **Jan 22th at 3 p.m.** and finishes on **Jan 26th at noon.**

Bursary information:

Please note that number of bursaries is limited. Should you choose to apply for bursary for this course, you won't be able to ask for bursary for other ILAE courses in the same year. Also, priority in getting the bursary will be given to participants who attend the EPODES course for the first time.

Deadline for all applications: 1st December 2017

To apply please **fill out an application form**, the form is available for download on course website.

Please send all the forms to:
